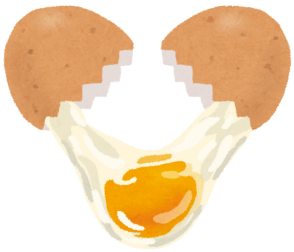
Help Bino Bunny, the Head Chef make some Chocolate Chip Cookies

Bino the Bunny is the Head Chef at the Woodland Townhouse Grand, and today he's on a special mission, cookie making!
But he can't do it alone... luckily, Fergus the Fox loves to help out in the kitchen. Can you join them and become a mini Hospitality Hero?

What you'll need



100g butter (soft)
100g brown sugar
1 egg
1 tsp vanilla
150g self-raising flour
100g chocolate chips (or raisins if Fergus is feeling healthy!)

Let's get baking

Preheat your oven to 180°C (Gas 4).
Mix the butter and sugar until it's light and fluffy.
Crack in the egg and add the vanilla—stir it all up!
Add the flour and mix well.
Stir in your chocolate chips.

Scoop out spoonfuls onto a baking tray (ask a grown-up to help).
Bake for 10–12 minutes until golden.
Let them cool (if you can wait that long!) and then enjoy your hospitality treat!
